Healy Macs Bar provides the perfect solution for those who want a relaxed casual dining experience combining the buzz and excitement of a bistro type atmosphere. Whether it's catching up with family and friends for an informal bite, or simply chatting over one of our delicious house wines or craft beers from local Crossmolina Brewery company 'Reel Deel Brewery', the Healy Macs experience is hard to beat. It's the perfect 'meet up' point in Castlebar for weekday or weekend lunches, dinners or a spur of the moment coffee from our Lavazza Coffee menu.

Intimate Dining with Moët Magic at the Mulberry

If you're looking for a more intimate dining experience then why not celebrate that special occasion with '**Moët Magic at the Mulberry**'. Named after the historical 800 year old Mulberry Tree which is majestically planted in the South Terrace garden, the 'old world charm' of this restaurant is simply irresistible and offers both Table d'hôte and a la Carte menus. Breaffy House Resort has recently announced its recent partnership with Moët Chandon which means Moët Chandon is now the House Champagne at Breaffy House Resort. Guests can choose to add that touch of class and luxury to their evening meal or Sunday lunch by ordering a bottle of Moët Chandon. Award winning produce from local producers, a special in-house smoker and signature wild Irish Garlic handpicked from the resort's very own herb garden are just some of the exclusive aspects of the dining experience at '**Destination Breaffy**'. The menus offer a mouth-watering choice of culinary delights. Starters like 'Smoked Duck Salad' and locally sourced fish from the Wild Atlantic Way coastline magically tantalises the taste buds in a hearty bowl of the hotel's 'Homemade seafood chowder'. Traditional favourites such as 'Roast Sirloin of Irish Beef' and 'Roast Organic Salmon' fail to disappoint.
