

### Minuty Since 1936

Château Minuty is a 200-hectare wine estate located in Gassin, on the Saint-Tropez peninsula. Nestled betweenland and sea, the vines are cultivated using sustainable methods, and Château Minuty remains one of the last Côtes de Provence estates where the grapes are harvested entirely by hand.

Minuty is, above all, a family adventure - one of passion, values and the transmission of unique artisanal know-how and a deep respect for the land. For four generations, Minuty have brought the know-how and expertise derived from a rich family heritage to life by producing rosés, whites, and reds, emblematic of the Côtes de Provence.

### Breaffy House Since 1776

Dominick Browne of Breaffy built the original Breaffy House in 1776. The style of the architecture is Victorian, with the typical rambling asymmetrical style of the 19th century.

The house was opened as a Grade A Hotel in 1963. It was partly burned in a fire in 1969 and rebuilt with additions for an expanded hotel. The Resort changed ownership in 2001 trading successfully with the additions of Fitness Club, Spa, Pool and 60 new bedrooms in November 2002.

August 2014 brought the current owners to Breaffy House Resort, who recently carried out extensive refurbishments. The current Resort with its grounds and woodlands, survive as a showpiece of Breaffy.
